RE: Larry Rowe

Dear Judge Brieant:

03 CR. 240 (CLB)

As I am writing this letter my wife is in a Kentucky hospital scheduled to have a heart catheterization this afternoon December 5, 2005. I am writing to request a brief continuance of the Larry Rowe sentencing hearing. My cousin, Gary Pillersdorf, who resides in Westchester and practices in New York City may be available to do the sentencing but is hesitant to do so based on his lack of experience handling criminal matters. I have not discussed any of this with my client, in that the medical situation with my wife arose early this morning.

Thank you for your attention to this matter. I look forward to hearing from you.

Sincerely,

Ned Pillersdorf
